their opinion that this is undoubtedly a conservative estimate.

Dohm Seeks Action on Flood Control Problem

"Flood control, storm and sanitary drainage are Southwest Cook County's most pressing problem", a caucus of civic and political leaders was told last week as they heard John P. Dohm, the Democratic party's endorsed candidate for State Representative. The group gathered in Oak Lawn to hear him outline a program for legislative action to solve the flood situation that threatens millions of dollars in home and business investments over a wide area.

"The State of Illinois must have a State Flood Control Authority with powers to meet the storm water and sanitary crisis that threatens Southwest Cook County", Dohm emphasized. "A State Agency empowered to initiate immediate action in cooperation with

the Federal Authorities who are developing the Cal-Sag Area along with the cooperation of the multiple county sanitary districts is imperative if a disaster which imperils the health, safety and economic development of the area is to be averted", he charged.

Dohm went on to point out that thousands of acres of natural cover are being stripped to provide homes, highways and industrial plants in connection with the Cal-Sag project. Sanitary sewers, he claimed, are being choked to the point of overflow and raw sewage is backing into ditches, sewers and streams creating a typhoid menace. The sanitary congestion will jeopardize an area from the Indiana State Line to Chicago's 39th Street in the very near future, he warned.

Storm water floods from backing sewers complicated by the sanitary back-up are bringing the "double edged sword" of flood and pestilence to the very doors of citizens living in Southwest Cook County's residential and in-

dustrial centers, he asserted.

"Piecemeal legislation such as was introduced in the Legislature at the last session by area representatives is no answer", he warned, "because diversion in one area brings back-up and disaster to another area".

"The only answer", Dohm contended, "is a State Flood Control Authority and a program to contain all storm water and sanitary drainage in a network of large sewers for disposal into the Cal-Sag development and sanitary district channels".

The Federal Government has always cooperated in the solution of similar problems in other states where Federal programs such as the Cal-Sag are underway, but Illinois has not provided a State Flood Control Authority for this purpose and the United States Government is stymied", Dohm pointed out. "It is impossible for the Federal Government to cooperate with dozens of local agencies who lack funds and authority", candidate Dohm charged.

Reminds Korean Vets To File For Compensation

More than 70,000 Illinois Korean compensation applications have been received since the forms became available for distribution Nov. 2, 1959, Ralph E. Johnson, administrator of the Illinois Veterans' Commission reported here today.

It was planned to process and pay the maximum claims possible before Christmas, 1959. As result every effort was concentrated on payment. Acknowledgement of all claims received to date is now well underway with almost 40,000 claims acknowledged. In the meantime, payment is being continued.

As of Jan. 26, 1960, 10,381 claims have been paid. This includes 781 \$1,000 beneficiary claims.

Johnson states that it is regretted so many applications are found to be incomplete.

The greatest deficiencies are failure to answer all questions, failure to furnish proper residency affidavits and neglect to have the photostate of their DD-214 certified as a true copy of the original.

All these requirements are covered in the instructions which accompany each application. These claims become irregular and will require correspondence before further action can be taken. This considerable delay may be expected by those who forwarded such claims.

Johnson requests all applicants please refrain from making inquiries as to the status of their claim as every inquiry will increase correspondence and further delay action on all claims. However, persons who have changed their address since filing application should forward their new address

to the Korean Compensation Fund, Illinois Veterans' Commission, Room 605 State Office Building, Springfield. This action should be taken only after a Korean Compensation Claim number has been received.

Johnson reminds all former servicemen who may be eligible to file their claim through the nearest Illinois Veterans' Commission Office.

In Will County, veterans should contact the Illinois Veterans' Commission Service Officer at 4 E. Clinton st., in the Joliet Building, Joliet, Ill. The office is open Monday through Friday between the hours of 8:30 a.m. and 5 p.m.

Sandburg Nears Crown; Chalks Up 12th Win

It is a topsy turvy year, but the Carl Sandburg team doesn't realize it.

We have said that the winner of the SWS title will lose at least three Conference games, but Sandburg is making a poor prophet of the writers in these parts.

It was victory number eight; as against one loss, that Sandburg recorded last Friday evening, beating Evergreen Park 57-48. It was the 12th victory of the season and it equaled the mark set by the Orland Park quintet over last year's entire schedule.

The win was not impressive as the earlier win over Evergreen Park. In the first game coach Bill Adams of Sandburg had the second line Eagles on the floor and playing at the start of the second half. Evergreen continues to improve with every game and should not be a push over for anyone through the remainder of the season.

Adams did not have anyone score very much in the entire game, but it was Gerry McBride and Don Arnold who supplied the knock-out punch. With Paul Busch and Ron Lindgren cooled off—Adams again had the right man to put in—Friday evening it was the big sophomore center, Lance Roberts, Lance responded with a half dozen baskets.

This is Sandburg's year. In almost every contest Adams had found the man for the night. Arnold and McBride have been the consistent ball players, but on Friday evening the Eagles have gotten needed help from Lindgren, Busch, Roberts, Duane Erickson, and Dick Barry. Barry, incidentally, helped the Mustangs defeat as he flipped in 9 points for Sandburg.

So it was Roberts and Barry who helped to pin the determined Mustang by 57-48.

Next week it will be one or two of the others who make the difference.

Again it was the defense of Sandburg that spelled defeat for the opposition. High scoring star of Evergreen Park, John LePore was held to just one basket in the entire game. He totaled 6 points in the game with the help of four charity markers.

Sandburg has now limited Conference opposition to just 53 points per game. Rich has been the only team this season to score 60 points against the Eagle defense.

SS Conference leader, Argo, managed to score 59.

Lincoln-Way and Bremen have scored 56 against Sandburg to be next highest on the offense against the five men of Adams.

Sandburg will have a chance to set back and watch the other teams knock each other off for the time being. However, Friday evening is not a night to be watching the results of other teams.

Lincoln-Way gave Oak Lawn a real drubbing last Friday, but remember that one week before that Oak Lawn handed Bremen the worst beating it has had all year at Midlothian, 79-60. A fellow by the name of Paul McHenry scored a total of 31 points in that game.

Notice is hereby given that examinations for Patrolman for the Village of Tinley Park will be held on February 27, 1960 at 9:00 A.M. in Room 101 of the Central School Building, 173rd Street and 67th Avenue, Tinley Park, Illinois.

Notice is also given that applications may be secured at the office of the Chief of Police, in the Municipal Building in Tinley Park, Illinois, weekdays and Saturdays from 10:00 A.M. to 4 P.M. Also, Friday evening from 7 to 9 P.M. Said applications must be filed no later than February 25, 1960.

By order of the Board of Fire and Police Commissioners of the Village of Tinley Park.

W. F. Fierke, Secretary

RICH HOT TO BEAT BREMEN

The Rich Rockets, smarting from its worst beating in Conference history early in the year, will be out to avenge that loss inflicted by Bremen at Park Forest on Friday evening. What a game this could be!

On paper the Braves were the finest in the SWS as the season started, but since have staggered

through a "two-game behind" second place mark in the SWS, suffering defeats from H-F, Sandburg and then lowly Oak Lawn.

Bremen eked out a two point decision over Reavis at Midlothian last week and failed to impress. This group has not been clicking as yet. The Braves partisans are still hoping for that Braves spark to ignite and get the tepee on the move.

Rich has been playing the same sort of basketball over this season. Bremen will try to set a school record when they make the effort to take Rich twice in one season. If they do it—this will be a Bremen first.

Sandburg will host Oak Lawn with a conference mark of 2-7, and should go on to victory 9. Last week the Lincoln-Way team had an easy time drubbing the Spartans by a 19 point margin.

The Eagles didn't find the Evergreen Park quintet quite as easy as they had in the second game of the year. But they stopped the Mustangs by a good margin and there is no reason to expect an Eagle collapse. Sandburg should bring this one in.

Lincoln-Way will be trying to keep its victory string alive, at six. If they do it will mean another double school record.

Reavis will not be any sort of push over. Bremen had its collective hands full in winning last Friday and even though the Rams travel to Lincoln-Way you can expect a great game from the small Reavis team of LeMonier and Nathale. These two fellows are among the finest outside shooters in the circuit.

If the Knights continue to improve it should be victory number 10 and a victory on the current spurt.

Lincoln-Way Extends Win Streak To 5 Straight Braves Break Losing Streak - Beat Rams 60 - 58

By BILL SLUIS
It is five straight wins for Lincoln-Way!

This is the first time in the history of this SWS school that a newspaper could write such a story.

Coming from a demise of nearly 20 losses during last season, the Knights are the Horatio Algers of this area. To date, Lincoln-Way has been conqueror in 9 of 15 games. They started down, 4 wins and 6 losses to become a better than .500 ball club in the SWS and nearly a .600 plus in total games. With eight to go anything can happen.

Joe Kruzich and his Batling Knights are not willing to settle for the second division of the SW Suburban. They are definitely going higher.

Lincoln-Way is improving with every game. Kruzich is not letting up on this young squad and they continue to respond with more clear-cut victories.

The Knights are serving notice of what the SWS can expect next season. There is only one senior who normally makes the starting lineup, Jerry Haehnlein. Bur Kruzich has been going with 8 and 10 players in every contest and these other fellows are underclassmen. Look out!

Continuing in their merry ways against Oak Lawn, Friday, the Knights of Lincoln-Way rolled on to their fifth in a row 67-48. In knocking over their fifth conference foe to go with four losses, the Knights, playing at the Spartans home stomping-grounds soared to victory by a 19 point margin their greatest of the year.

Again "busting up" the school record, the Knights played with a spirit of vengeance for insults of previous years. They completely dominated the action, leaving the localites standing at the gate.

The Knights, who owned an earlier nine point victory over the Spartans, evidently wished to prove that their recent victories haven't been "flukes". Skip Kruzich burned in 21 points for the visitors, moving his season average to 19.8 per game. Dan Karvasek obliged a good gathering in Oak Lawn gym with 17 for the losers.

Lincoln-Way garnered 31 points from the charity stripe, missing on only five of their unguarded efforts. This, along with 49 per cent from the field, was enough to devastate the Spartan. The defense was excellent, rather airtight in holding Oak Lawn to a stingy total of 48.

Oak Lawn, SWS fans will remember, was riding high on the crest of their victory over the Bremen Braves. Lincoln-Way turned on the power early in the first quarter, taking a 19-9 lead by the end of the first lap.

Continuing with a "hit 'em hard" policy in the second quarter, the Knights added three more to their lead to give them 31-18 at the half. No Oak Lawn uprising of any stature materialized after the half to the disgust of many Spartan fans, who began to leave with two minutes remaining. It was at that point that Lincoln-Way emptied their bench, and the replacements went on to continue the good work actually building the lead.

This week, the Knights hope to continue their late onslaught against the Reavis Rams. The Rams scored 61-55 victory over our local heroes on Dec. 12, and the Knights are planning a suitable revenge.

Carl Sandburg looks very much like the new SWS champ, even at this point in the season. The Eagles are resting on the top rung of the Conference ladder by virtue of beating all comers just a couple of weeks ago.

If Lincoln-Way continues at such a hot pace they could make things much easier for the Orland Park neighbor. The Knights gave Homewood-Flossmoor the worst defeat the Vikings have absorbed in the SWS at New Lenox and then dropped contests to Rich and Bremen.

The Knights are improving and face the Braves at home later. The Rich game should be an interesting one next week at Park Forest. Bremen and Rich get together and one of the teams will emerge from this contest with four losses. That means that Homewood and one of these two will be running second with 3 losses, two full games behind the Eagles.

Oak Lawn, who gave some trouble to the Sandburg team in Oak Lawn, should not prove to be a durable Spartan this coming Friday on the Orland bluff.

If Sandburg can beat the weaker sisters in the league and just win one of the coming three games with Rich, Homewood-Flossmoor, and then Bremen they will be insured of at least a tie for the league crown. This should be an easy accomplishment since the first two "tough" games will be played on the Orland floor.

As Coach Bill Adams continues to get great play from three and four players in one contest they will be extremely hard to beat.

One reason for the amazing rise of the Adamsmen has been the rise of Ron Lindgren, Paul Busch, and Duane Erickson. Lindgren has proved a consistent double figure scorer and a marvelous boardman. Busch is hot and cold, but when he is hot—look out. Erickson has improved with a switch to the guard. In fact, if Duane gets set for a long two-handler, well, just chalk it up on the score board.

Don Arnold and Gerry McBride has been excellent over this season. Both have taken their usual turn at scoring, but can be counted on at the big moment to come through for the basket. Gerry is definitely the "take-charge guy" that every team is looking for. Arnold rises to heights in various games and is a relentless rebounder. Seldom is he spectacular, with exception of some shooting on his home court, but he is always there and other teams fear him.

It is better to have four and five men who give it all that they have and can play the game than two great one and a few others to fill out the five. Sandburg roost on the top for just that reason.

Adams will not produce the scoring champ of the SWS lead and he won't ever have a man up close in that column, but he should bring home for the first crown for Sandburg. His team has stopped the Bremen jinx and that is something.

Lincoln-Way's rise on the strength of five straight wins has caused a lot of speculation. The Knights have shown tremendous defense and an extraordinary amount of scoring punch in recent contests.

They are beginning to develop. It may be that Rich, Bremen and Homewood-Flossmoor are going to have to move over to make room for a newcomer in the upper echelon of the SW Suburban.

The Knights set a new school winner record with every victory recorded from here on in. In fact, they are breaking all sorts of records for that school that has been the perennial doormat in the conference.

MEMORIAL: In loving memory of Margaret Miller who passed away Feb. 6, 1955.

She little thought when leaving home, She would return no more.
